Manufacturing Sector

Industry-Wise Compliance Checklist

Businesses with Annual Turnover > ₹50 Crore

ComplyTrack India | Generated: 4/7/2026

Industries Covered

1. Food & Beverage Processing
2. Pharmaceuticals & Medical Devices
3. Textiles & Garments
4. Automobile & Auto Components
5. Chemicals & Petrochemicals
6. Electronics & IT Hardware
7. Metals, Steel & Foundries
8. Cement, Building Materials & Glass
9. Plastics & Rubber
10. Paper & Printing
11. Engineering & Machinery
12. Defense & Aerospace
13. Aerospace & Shipbuilding

Total: 13 industry-specific sections • ~20 pages • Ready-to-use checklist

Common Mandatory Compliances (All Manufacturing)

1. GST Registration & Returns

- GST Registration (within 30 days of crossing ₹40L/ ₹20L threshold)
- GSTR-1 (monthly/quarterly – outward supplies)
- GSTR-3B (monthly/quarterly – summary return)
- GSTR-9 (annual return)
- E-Way Bill generation for goods movement > ₹50,000
- Input Tax Credit (ITC) reconciliation
- GST Audit (if turnover > ₹5 Cr)

2. Income Tax & Corporate Tax

- Corporate Tax Return – ITR-6 (within 31 Oct of AY)
- Advance Tax payments (15% by 15 Jun, 45% by 15 Sep, 75% by 15 Dec, 100% by 15 Mar)
- Transfer Pricing documentation (if international transactions > ₹1 Cr)
- Tax Audit Report – Form 3CA/3CB (if turnover > ₹10 Cr)
- Country-by-Country Reporting (CBCR) for MNEs
- Master File & Local File (if turnover > ₹100 Cr)

3. TDS / TCS Compliance

- TDS on salary – Section 192 (monthly Challan cum return)
- TDS on contractor payments – Sec 194C
- TDS on professional fees – Sec 194J
- TDS on rent – Sec 194I
- TDS on interest – Sec 194A
- TCS on goods sale > ₹50L – Sec 206C(1H)
- Quarterly TDS return – Form 24Q/26Q/27Q
- Annual TDS return – Form 24Q (Part II)

4. Provident Fund (EPF)

- EPF Registration (within 30 days of 20+ employees)
- Monthly EPF contribution – 12% of basic + DA (employer + employee)
- ECR (Electronic Challan cum Return) – by 15th of following month
- EPF return – Annual Return Form 5A
- Pension contribution – 8.33% of basic (from employer share)
- EDLI (Employee Deposit Linked Insurance) – 0.5%

5. Employee State Insurance (ESI)

- ESI Registration (if 10+ employees in wages < ₹21,000/month)
- Monthly ESI contribution – 3.25% employer + 0.75% employee
- Half-yearly ESI return
- Medical benefit & sickness benefit compliance

6. Shops & Commercial Establishments

- Registration under respective State Shop & Establishment Act
- Annual renewal (as per state rules)
- Display of registration certificate at premises

7. Professional Tax

- Professional Tax registration (Maharashtra, Karnataka, AP, etc.)
- Monthly/annual deduction based on salary slabs
- Remittance by 15th of following month

8. Labour Law Compliances

- Building & Other Construction Workers Act (if applicable)
- Contract Labour Act (if 20+ contract workers)
- Inter-State Migrant Workmen Act
- Child Labour Prohibition Act
- Equal Remuneration Act
- Sexual Harassment of Women at Workplace Act (POSH)
- Bonus Act compliance (bonus between 8.33%–20%)
- Gratuity Act (after 5 years continuous service)

9. Environment & Pollution

- Consent to Establish (CTE) from State Pollution Control Board
- Consent to Operate (CTO) – renewed every 5 years
- Annual Environmental Statement (Form V)
- Hazardous Waste Management authorization
- EPR (Extended Producer Responsibility) registration
- Battery Waste Management Rules compliance
- Water (Prevention & Control of Pollution) Act registration
- Air (Prevention & Control of Pollution) Act registration

10. Factory Act & Safety

- Factory Registration under Factories Act, 1948
- License renewal (annual/biennial as per state)
- Building Plan approval from Chief Inspector
- Health & Safety Officer appointment (if 500+ workers)
- Occupational Safety, Health & Working Conditions Code, 2020
- Annual Return to Inspector of Factories
- Accident reporting within 12 hours (fatal) / 24 hours (serious)

11. Companies Act, 2013

- Annual Return – Form MGT-7 (within 60 days of AGM)
- Financial Statements – Form AOC-4 (within 30 days of AGM)
- Board Meetings – minimum 4 per year (gap <120 days)
- Independent Director appointment (if paid-up capital > ₹10 Cr)
- Secretarial Audit – Form MR-3 (if paid-up capital > ₹50 Cr)
- CSR Report – Form CSR-2 (if net worth > ₹500 Cr or turnover > ₹1000 Cr)
- Director KYC – Form DIR-3 KYC (annual)
- Filing of Resolutions – MGT-14 within 30 days

12. MSME / Vendor Compliance

- Udyam Registration (if MSME supplier involved)
- MSME payment compliance – payment within 45 days
- Section 43B(h) compliance – deduction disallowed if MSME payment delayed

13. Import / Export (if applicable)

- IEC (Importer Exporter Code) from DGFT
- Customs duty payment & filing
- BIS certification for imported goods
- Advance License / EPCG License
- RoDTEP / MEIS benefits
- Export obligation compliance

14. State-Specific Industrial Compliances

- SIRO (State Industrial Registration) – as per state policy
- Municipal Trade License
- Fire Safety NOC from Fire Department
- Electrical Inspectorate – HT/LT connection approval
- Water connection permission (if using municipal/ground water)
- Land use conversion certificate (if applicable)

Industry-Specific Manufacturing Compliances

A. Food & Beverage Processing

FSSAI Licensing

- FSSAI Central License (turnover > ¹12 Cr or export)
- FSSAI State License (turnover ¹12L– ¹12 Cr)
- FSSAI Registration (turnover < ¹12L for petty food business)
- Annual Return – Form D
- Food Safety Management System (FSMS) certification
- HACCP / ISO 22000 certification (recommended)

BIS & Quality Standards

- BIS certification for packaged drinking water (IS 14543)
- BIS standards for edible oils, spices, milk products
- AGMARK certification for agricultural products
- Export Inspection Council (EIC) certification for exports

Labelling & Packaging

- FSSAI labelling regulations (FSSR 2011, Reg. 2.3.3)
- Nutritional information display mandatory
- Vegetarian/Non-vegetarian logo mandatory
- Date of manufacture / best before / expiry date
- Country of origin for imported ingredients

Food Safety Requirements

- Water testing – annual (potable water standards)
- Pest control – monthly records
- Medical fitness certificates for food handlers
- Recall procedure documentation

B. Pharmaceuticals & Medical Devices

Drug Licensing

- Manufacturing License – Form 25/25B (for drugs)
- Loan License – Form 25/25B
- COPP (Certificate of Pharmaceutical Product) for exports
- CLPI (Certificate of License to Produce for Internal Use)
- Drug Product License from CDSCO

CDSCO Compliance

- New Drug Application (NDA) – Form 44
- Clinical Trial permission (if applicable)
- Import License – Form 10/10C
- Annual Drug Production Report to CDSCO
- Batch testing records – retention for 3 years

GMP Compliance

- Schedule M compliance (Drug & Cosmetics Rules)
- WHO-GMP certification (for exports)
- Schedule C & C1 (biologicals, sera, vaccines)
- Stability testing records (ICH guidelines)

Medical Devices

- Medical Device manufacturing license
- CDSCO registration for Class A/B/C/D devices
- ISO 13485 certification
- CE Marking / FDA approval (for exports)
- Post-market surveillance records

Environmental

- Hazardous waste management for API manufacturing
- Effluent treatment – pharmaceutical waste standards
- EPR compliance for pharma packaging

C. Textiles & Garments

BIS & Quality

- BIS certification for yarn, fabric, garments (various IS standards)
- ZED (Zero Defect Zero Effect) certification (recommended)
- OEKO-TEX Standard 100 (for exports)
- GOTS (Global Organic Textile Standard) for organic textiles

Labour & Social Compliance

- Contract Labour Act compliance (critical for garment units)
- Minimum wages compliance (state-specific)
- Social audit – SA8000 / SEDEX / WRAP
- Child labour prohibition – strict compliance
- Working hours – Factories Act (max 48 hrs/week)

Fire Safety

- Fire NOC from local fire department (mandatory for garment factories)
- Fire audit report – annual
- Emergency evacuation plan displayed
- Fire extinguishers & sprinklers – annual maintenance

Environmental

- ETP (Effluent Treatment Plant) – mandatory for dyeing units
- ZLD (Zero Liquid Discharge) for wet processing units
- CPCB guidelines for textile effluents
- Air pollution control for printing units

Export Specific

- RCMC (Registration cum Membership Certificate) from Textile Export Promotion Council
- ATF (Advance Textile Facility) license
- GSP certificate for preferential duty (if applicable)

D. Automobile & Auto Components

Type Approval

- AIS (Automotive Industry Standard) certification
- CMVR (Central Motor Vehicles Rules) compliance
- Type approval from ICAT / ARAI / CIRT
- PESO approval for fuel tank / pressure vessels

Quality & Testing

- IATF 16949 certification (mandatory for OEM suppliers)
- PPAP (Production Part Approval Process)
- FMEA (Failure Mode & Effects Analysis) documentation
- Dimensional inspection records
- Material test certificates (Mill Test Reports)

Environmental

- End-of-Life Vehicle (ELV) Directive compliance
- Battery recycling / Extended Producer Responsibility
- Scrap policy compliance
- Noise & emission testing records

Safety

- Occupational health & safety – ISO 45001
- Machine guarding compliance
- PPE (Personal Protective Equipment) provision
- Chemical safety (MSDS for solvents, paints, coolants)

E. Chemicals & Petrochemicals

PESO (Petroleum & Explosives Safety Organization)

- PESO license for storage & handling of petroleum products
- Explosive license for explosives manufacturing
- LPG / CNG plant approval
- Pressure vessel & storage tank approval

HAZMAT & Safety

- Major Accident Prevention (MAP) rules compliance
- Safety Data Sheet (SDS) for all chemicals
- Process Hazard Analysis (PHA)
- Fire & Explosion Hazard Assessment
- Emergency Response Plan (ERP)
- On-site Emergency Plan

Environmental

- Environmental Impact Assessment (EIA) for red/orange category
- Hazardous Waste authorization from SPCB
- Hazardous Waste Manifest system
- CPCB guidelines for chemical effluents
- VOC emission control

Storage & Handling

- MSIHC (Manufacture, Storage & Import of Hazardous Chemical) Rules
- Chemical storage classification compliance
- Secondary containment for tank farms
- Leak detection systems
- Fire suppression systems (foam/dry chemical)

F. Electronics & IT Hardware

BIS Compulsory Registration

- BIS CRS (Compulsory Registration Scheme) for electronics
- EMC (Electromagnetic Compatibility) testing
- Safety testing – IS 13252 (IEC 60950)
- SAR testing for mobile phones
- WEEE (Waste Electrical & Electronic Equipment) compliance

E-Waste Management

- E-Waste Management Rules, 2016 compliance
- EPR (Extended Producer Responsibility) authorization
- Collection & recycling targets
- Annual return to CPCB on e-waste

Quality & Standards

- ISO 9001 Quality Management System
- ISO 14001 Environmental Management System
- RoHS (Restriction of Hazardous Substances) compliance
- REACH compliance (for EU exports)

Telecom Equipment

- WPC (Wireless Planning & Coordination) license for wireless devices
- DOT (Department of Telecom) type approval
- IMEI registration for mobile phones

G. Metals, Steel & Foundries

BIS Standards

- BIS certification for steel products (IS 2062, IS 1079, etc.)
- Bureau of Indian Standards Act compliance
- Quality control orders (QCOs) for specific steel products

Environmental

- ZLD (Zero Liquid Discharge) for steel plants
- Particulate matter emission control
- Slag management & disposal
- Noise pollution control (foundries)
- Consent to Operate from SPCB/CPCB

Safety

- Furnace safety inspection
- Molten metal handling procedures
- Heat stress management for workers
- PPE for foundry workers (heat-resistant gloves, face shields)
- Crane & hoist inspection certificates

Energy Conservation

- ECBC (Energy Conservation Building Code) for new buildings
- Energy audit – mandatory for designated consumers
- PAT (Perform, Achieve, Trade) scheme compliance
- Energy consumption reporting to BEE

H. Cement, Building Materials & Glass

Cement Specific

- BIS certification for cement (IS 269, IS 455, IS 12269, IS 14846)
- Cement packing norms (50 kg bags, proper labelling)
- Dispatch records & quality testing

Environmental (Critical for Cement)

- EIA clearance from MoEF&CC (for new plants/expansion)
- Stack emission monitoring (continuous for larger plants)
- PM, SO2, NOx, CO emission limits
- Kiln dust management
- Mining plan & mine closure plan

Mining

- Mineral concession from state government
- Mining lease renewal
- Mine safety regulations (DMRDD&B)
- Forest clearance (if forest land involved)
- Cess on mineral bearing lands

Building Materials

- BIS for TMT bars, tiles, sanitary ware, pipes
- ASTM / EN standards (for exports)
- Load testing certificates for structural products

I. Plastics & Rubber

BIS & Quality

- BIS for plastic products (packaging, pipes, containers)
- IS 14846 for PET bottles
- FDA / EU 10/2011 compliance for food-contact plastics

Plastic Waste Management

- Plastic Waste Management Rules, 2016 compliance
- Extended Producer Responsibility (EPR) registration
- Carry bag thickness >50 microns
- Recycling targets (40-50% as per phase-out schedule)
- Ban on single-use plastics (as per Govt. notification)

Environmental

- VOC emission control in rubber processing
- Effluent treatment for rubber/plastic processing
- Hazardous waste disposal for rubber chemicals

J. Paper & Printing

Environmental (Critical)

- CPCB consent for boiler operations
- Effluent discharge standards for pulp & paper
- Chlorine/Chlorine-free bleaching compliance
- Air emission control for paper mills
- Solid waste management (sludge disposal)

Quality & Safety

- BIS for paper products (various IS standards)
- Fire safety for printing units (high fire risk)
- Chemical safety (ink solvents, coatings)
- Occupational health – ventilation, noise control

K. Engineering & Machinery

BIS & CE Marking

- BIS for industrial machinery (IS standards)
- CE marking for EU exports
- Pressure Equipment Directive (PED) compliance
- Crane & lifting equipment – annual inspection

Quality Systems

- ISO 9001:2015 QMS
- ISO 45001:2018 OHSMS
- NABL accreditation for testing laboratories
- Calibration records for measuring instruments

Safety

- Machine guarding (OSHA / Factories Act)
- Lockout/Tagout (LOTO) procedures
- Confined space entry permits
- Electrical safety – annual inspection

L. Defense & Aerospace

Licensing

- Industrial License from MoCI (for defense items)
- MoU with MoD for defense production
- DRDO / DGAQA approval for defense components
- Ordnance Factory / DPSU vendor registration

Quality & Security

- AS9100 certification (aerospace quality)
- NADCAP accreditation (for special processes)
- ITAR compliance (for US-origin technology)
- Export license from DGFT for defense items
- Security clearance for defense installations

Environmental

- Hazardous waste management for defense production
- Noise & vibration compliance
- Radiation safety (if applicable)

M. Shipbuilding & Repair

Classification Society

- Class approval from IRS / DNV / Lloyd's / ABS
- Keel laying & launch certificates
- Classification survey compliance

Maritime & Environmental

- MARPOL compliance (marine pollution prevention)
- Ballast Water Management Convention
- Anti-fouling paint compliance
- Ship Recycling Facility Permit (if applicable)

Safety

- SOLAS compliance (Safety of Life at Sea)
- Fire safety systems on vessels
- Maritime Labour Convention (MLC) compliance

Annual Compliance Calendar

April

- EPF & ESI payment for March
- GSTR-1 / GSTR-3B (March filing)
- Q4 TDS returns (Form 24Q/26Q)
- Annual FSSAI return (if food business)
- Fire safety certificate renewal
- Factory license renewal (if due)

May–June

- Advance Tax – 1st instalment (15%) by 15 Jun
- IPL (Import License) renewal
- Environmental Statement (Form V) filing
- Occupational health camp (Factory Act)
- Annual compliance audit planning

July–September

- EPF annual return – Form 5A
- Advance Tax – 2nd instalment (45%) by 15 Sep
- Hazardous waste annual return
- GSTR-9 (Annual Return) – if applicable
- SOC (Statement of Compliance) for auto/defense

October–December

- Advance Tax – 3rd instalment (75%) by 15 Dec
- Board meetings (2 of 4 required)
- CSR report preparation
- EPR compliance audit
- Insurance renewal (fire, machinery, workmen)

January–March

- Advance Tax – 4th instalment (100%) by 15 Mar
- TDS certificates (Form 16/16A) issuance
- Annual financial statements preparation
- AGM & annual filings planning
- EPF & ESI final reconciliation

Quick Reference – Key Due Dates

Disclaimer: This checklist is for general guidance only. Actual compliance requirements may vary based on state-specific rules, company size, and product category. Consult a compliance professional for specific advice.

ComplyTrack India – Streamlining Compliance for Manufacturing
